

For Immediate Release

ISCEA, International Supply Chain Education Alliance, Announces that it signed a 3 year contract with LaserGrade To deliver CSCM (Certified Supply Chain Manager) Exam Using LaserGrade's Secure Test Network

Cleveland, OH - Apr 25, 2005 ISCEA (International Supply Chain Education Alliance) announced today that ISCEA would begin delivering ISCEA CSCM (Certified Supply Chain Manager) Exam using LaserGrade's secure test network starting June 1, 2005.

Dr. Charles A. Watts, Executive Director of Education & Certification of ISCEA stated, "We are delighted to announce our partnership with LaserGrade to deliver ISCEA CSCM (Certified Supply Chain Manager) Exam to our members. ISCEA CSCM CBT now allows us to offer the convenience to our members to take the exam any time at a very affordable fee.

"The ISCEA exam program compliments our growth strategy of adding trade and management credentialing exam alliances," stated Rory Rorabaugh, Vice-President of Sales and Marketing, LaserGrade, LP.

The first computer-based proctored exams using LaserGrade's secured test centers will begin in June 2005.

About the CSCM (Certified Supply Chain Manager) Exam

ISCEA CSCM is steadily increasing in acceptance by the Supply Chain Industry as a must have Certification that is covering The Total Supply Chain Operation. In addition to standard supply chain methodologies, CSCM also cover topics such as Leadership, Lean Six Sigma, Theory of Constraints, and Operational Accounting. ISCEA CSCM certifies that the holder is both an expert in Supply Chain theory and a practitioner, who can manage and lead a modern Supply Chain Organization with P&L Responsibilities.

About ISCEA (International Supply Chain Education Alliance)

ISCEA, The International Supply Chain Education Alliance conducts many workshops to improve the knowledge of Manufacturing and Service industry professionals worldwide. ISCEA's mission is to be a single source for Total Supply Chain Knowledge through Education, Certification, and Recognition. ISCEA instructors are American University Professors or Managers of Major Corporations in USA with 5+ years of work experience. They all hold CPIM or CSCM Certification. ISCEA is the developer of internationally recognized certification programs of Certified Supply Chain Manager (CSCM), Certified Supply Chain Analyst (CSCA), Certified Lean Master (CLM), and Certified RFID Master.

About LaserGrade

LaserGrade, with over 1,000 computer-based testing centers, is the largest United States owned and operated network in North America. Headquartered in Vancouver, Washington, with an east coast office in Philadelphia, LaserGrade offers proctored computer-based test administration for licensure and certification examinations using its own secure network and software. For lower stakes testing, such as practice tests, pre-tests or after-tests, candidates may test via any computer by logging on to LaserGrade's secure web-browser.
